

# INSET WASH BASIN

PRODUCT CODE

**251**

MAY 2016

## Special Features

- ▲ HYGIENIC VANDAL RESISTANT DESIGN
- ▲ COMPLETE WITH FIXING TOGGLES

## Description

The wash basin is designed for fitting into countertops up to 50 mm thick. Fixing toggles are supplied for securing the wash basin in position.

## Construction

The inset wash basin is manufactured in one piece without joints or crevices from grade 304 stainless steel, with all exposed surfaces polished to a satin finish. The wash basin is produced with two tap holes and is supplied as standard with a combined waste and overflow fitting, plug and chain and fixing toggles.

Note: Taps shown are for illustration purposes only and are not included.

## Options

- ▲ Non-standard waste fitting
- ▲ Non-standard tap hole sizes
- ▲ Water controllers, taps and valves
