

CENTRE FEED PAPER TOWEL DISPENSER

PRODUCT CODE

7005

JANUARY 2016

Special Features

- ▲ STAINLESS STEEL
- ▲ SATIN FINISH
- ▲ COMPACT AND ROBUST

Description

The Centre Feed Paper Towel Dispenser is manufactured from 304 grade stainless steel polished to a satin finish. The unit is wall mounted and hand contact areas are protected with a powder coated finish. The dispenser accommodates a full size centre feed paper towel roll either perforated or non-perforated. The cabinet is provided with a lock.

Operation

The Centre Feed Paper Towel Dispenser accommodates a standard 210mm paper towel roll in the lockable cabinet. A sight view slot indicates remaining paper level.

Installation

The unit is wall mounted through fixing holes in the cabinet backplate.
